Heartfelt Condolences

We have learned with deep sorrow of the passing of former Ambassador Mr. Masamichi Saigo. As members of JUAAN, we would like to express our profound sympathy and offer our sincere condolences to his family. Our thoughts and prayers are with them during this difficult time, and we pray for the peace of the departed soul.

We have vivid memories of Ambassador Saigo's kind cooperation and participation in our various events, including the Sakura plantation program in Godavari, where he attended with his family despite the cold weather and rain. He always encouraged us in our activities. We remember with respect that he was the descendent of the famous Samurai Saigo family.
